ROCK RIVER VALLEY TRAIN SHOW

We have a 42,000 sq. ft. venue at Harlem High School in the Rockford, Illinois area consisting of two adjacent gymnasiums. There will be plenty of new and used model railroad supplies for sale, informative displays and fun to watch operating model trains for children of all ages. Door prizes are awarded every hour, but you must be present to win. Admission is still only \$5.00 for adults with kids 12 and under, scouts in uniform and active military free. Parking is free, too. Where else can you bring the whole family for just \$10.00?
